Shamballa Multidimensional Healing

(Sessions & classes-in person & distance)

Shamballa has been made available by John Armitage (also known as Hari Das Melchizedek) of England and is a gift received by him from Ascended Master St. Germain. It is believed by him that the system was first devised by St. Germain in ancient Atlantis. Reiki is part of Shamballa.

The attunements open you to receive through your higher self up to 352 etheric symbols, one for each dimensional level between here and the Source/Creator Energy. These etheric symbols are keys that open the gateway to these various dimensional frequencies.

There are a series of between 2-4 attunements to become a master teacher, depending on your background. There is also an Advanced/12D attunement that follows the 2-4 attunement series.

"Emotions are the next frontier to be understood and conquered. To manage our emotions is not to drug them or suppress them, but to understand them so that we can intelligently direct our emotional energies and intentions...It's time for human beings to grow up emotionally, to mature into emotionally managed and responsible citizens. No magic pill will do it."
